The technical progress

Technical procedure

The rules applied during the tournament are those of the French Rugby Federation in force.

http://www.ffr.fr/index.php/ffr/rugby_francais/ecoles_de_rugby/reglement The matches are refereed by educators and players of the club.

We count this year on the presence of referees of the Committee of Flanders and the arbitration school.

However, your referees are welcome

A main brand stand summarizes all results and handles claims in case of necessity.

Are on the ground

1 referee.

1 manager said land with a time, the table games and the rules of the game.

2 field managers who ensure smooth running of all games.

Each club must hold the license for its players.
